### **Studio Guidelines**

We would like to welcome you to the 2013-2014 school year at Dance Designs! We hope that you enjoy your studies here and that you appreciate the beauty, creativity and discipline that dance will provide. There are a few guidelines that we would like you to adhere to. These rules are enforced so that all students may benefit from an organized and professional environment for their studies.

- All students must be dressed appropriately. Check our dress code carefully before you purchase your items to ensure you choose the correct shoes!
- No gum chewing, no food or beverages (aside from water) are permitted in the studios or dressing rooms.
- Please do not leave food and beverages around. All of us can appreciate beautiful, clean well-kept studios, bathrooms and overall facilities, but we need you to help keep it this way. We have garbage and recycling cans in the lobby for your convenience!
- Since we do not permit people to observe classes, each class is shown in the lobby via closed-circuit television.
- There are parent visitation weeks scheduled throughout the school year. This is your opportunity to witness your student's progress first-hand! Please check your calendar for the dates.
- When dropping off or picking up students, please do not double park or block the driveway.
- When inclement weather occurs, please call the studio. If the school is closed it will be announced on the voicemail at least 2 hours prior to your class. It will also be posted on our Facebook page, so make sure to "Like" us!
- Our teachers and staff strive create an encouraging, happy environment for all of our dancers. Help us by encouraging positive attitudes in yourself and your dancer.

**Please make a note:** Steady progress can only be accomplished with regular, punctual attendance and PRACTICE. Students entering class late may be asked to sit out. If a student can join in without disrupting the entire class and there is still ample time for warm-up, they may be allowed to participate. It is the teacher's discretion as to whether or not a late student can participate.
